

Are you a veterinarian interested in practising physical rehabilitation?

We care for our clients and their animal companions like they are members of our own families. If you are passionate about helping your clients' pets move and feel better, and live longer, happier lives, join our team!

Two part-time positions available:

We are seeking **one experienced veterinarian**. Sundays and Mondays to start with the possibility of more hours/days as our clientele expands. Compensation based on a percentage of fees. You will have full access to the clinic and all equipment including:

- Underwater treadmill
- Laser class 4 & 3B
- EMS & Ultrasound
- Exercise equipment

We are also seeking one **newly-graduated veterinarian OR a vet not yet specializing in physical rehab**. We will provide the training and support you need. Must be willing to work weekend and evening shifts in addition to regular daytime hours. Compensation paid on an hourly basis.

*To discuss these opportunities contact
Dr. Catherine Pampiglione at 587.364.3211*

*Please email your cover letter and resume to vet@canineaquafitness.ca
or drop it off at the clinic at 98 Elizabeth St., Okotoks*
